What?

We can provide our 2 hour First Aid For Families course as a chance for your organisation or centre to run a unique FUND-RAISING opportunity. Practical, relevant and perfect for all parents, carers and parents to be.

Who?

Our Trainers are dedicated, passionate, QUALIFIED mix of paramedics, nurses, medical specialists, child and adult educators BUT most importantly amazingly talented and experienced MUMS!

Where & When?

WE COME TO YOU at a time and place that suits YOU! Yes, that means weekends, after hours, during the week – you choose!

How Much?

You charge your guests whatever you feel appropriate for your fundraising event!
(To give you an idea, we usually charge \$65 per person for the First Aid For Families course.)

We then have 2 options:

1. We charge a flat rate of \$550. Your centre then keeps any amount made over this.
2. We can set the per head cost & at the end of your event we will donate 20% back to your centre

It all depends on how many people you will have at your event as to which option would suit your needs. The more you promote your event, the more funds you will raise for your cause!

What do we Bring?

We bring mannequins and equipment plus take home material. In terms of space we need very little as the equipment we provide is baby/child size and we will easily find a spot on the floor or table.

What do I Bring?

We couldn't imagine facilitating this course without the pitter patter of little feet, so of course, babies and children are welcome to attend!
